### **Ordering Wine**

Server: Hi, my name is Joy and I'll be your server tonight. Can I get you started with anything?

Diner: I'd like to order something from your wine list.

Server: Wonderful! We have many choices.

Diner: A bottle of the 2005 Three Palms Vineyard Merlot sounds good.

Server: Good choice! I'll be right back with your wine.

### **Ready to Order**

Server: Hi! Are you ready to order?

Diner: Not quite yet. What are your specials today?

Server: Our specials today are the New York Steak and the crispy roasted lamb.

Diner: Oh, crispy roasted lamb sounds delicious! What does it come with?

Server: It comes with fingerling potatoes and sautéed organic kale.

### **Getting a Dessert**

Server: How was your dinner? Would you like some dessert?

Diner: Dinner was fabulous! And yes, I'm eyeing the crème brûlée.

Server: I think you'll love it! Would you like some coffee?

Diner: Yes, I'd love an Americano, please.
