

## Hamper Drive

Michael: Hang on, Sarah, I wanted to hash out what our drivers group needs to do for the upcoming Hamper Drive.

Sarah: Sure Michael, I was just talking with Rachel about it too. You guys are certainly taking on a key role in the delivery part.

Michael: You and Rachel have a bigger job overseeing the entire operation. I bet you've got many sectors to coordinate. How are things coming along?

Sarah: It's going great. We're just blown away by the enthusiasm and how the parents and students have responded to this. We've received quite a bit of cash donations too. All the hamper lists are distributed and all the groups will have their items collected by Dec 15th.

Michael: That's terrific! So, back to us drivers, do you want me to come up with a roster of the names of the drivers and their shifts?

Sarah: That'll be so helpful. Thanks Michael! Michael: No sweat! My pleasure! Glad to help!
