

At the Bird Sanctuary

Andre: All right, I bought the tickets. We can be here until closing time, 4 o'clock if we wish.

Julie: Great! I also bought a bag of bird seed. I was told that's what we use if we wish to feed the birds. I have my camera and here are your binoculars. Let's go!

Andre: Apparently there are over 5 km of trails through the forest and marshlands here.

Julie: Do you know how many types of birds are in this sanctuary? I read there are year-round regulars, such as swallows, robins, hummingbirds, owls and bald eagles.

Andre: Right now there are a lot of sandpipers, but you won't be able to see the famous snow geese at this time..

Julie: Hold still! There is a great blue heron right behind you. Let me get a good shot!

Andre: I have a feeling we'll be here until 4pm.

Julie: Haha you just might be right!
