

## Two Movie Quotes

### **The Blue Pill or the Red Pill?**

**(from the Matrix, 1999 Sci-fi/Action film)**

Morpheus: (Sigh) Unfortunately, no one can be told what the matrix is. You have to see it for yourself. This is your last chance. After this there is no turning back. You take the blue pill, the story ends. You wake up in your bed and believe whatever you want to. You take the red pill, you stay in Wonderland, and I show you how deep the rabbit hole goes. Remember, all I'm offering is the truth. Nothing more. **(Eric)**

### **Harvard Law School Graduation Speech**

**(from Legally Blonde, 2001 Comedy/Romance film)**

Elle Woods: On our very first day at Harvard, a very wise Professor quoted Aristotle: 'The law is reason free from passion.' Well, no offence to Aristotle, but in my three years at Harvard I have come to find that passion is a key ingredient to the study and practice of law - and of life. It is with passion, courage of conviction, and strong sense of self that we take our next steps into the world, remembering that first impressions are not always correct. You must always have faith in people. And most importantly, you must always have faith in yourself. Congratulations Class of 2004! We did it! **(Nancy)**
